

TITLE

Consulting, Collaborating and Coaching (**CCC**)

PURPOSE

The purpose of this training is to build team members' capacity in providing learning-focused consultation to the teachers within their districts, with a common goal of improved student outcomes. Participants will learn strategies for increasing effectiveness in their role as a consultant or mentor, as well as improving collaboration within their own teams.

WHO SHOULD ATTEND?

Autism Interdisciplinary (AIT), Autism Diagnostic (ADT), and Tertiary Behavior Support (TBS) team members who provide consultation to teachers and staff working with students with significant challenges

DATE

Trainings will be scheduled for Spring of 2013. Check the TASN Calendar for specific dates and locations. This is a half day training. An option to extend to a full day will be offered to allow for team planning. One training site will be chosen within each KASEA Region.

REGISTRATION:

Online registration is free and will be open to members of AIT, ADT, TBS teams and those individuals who have participated in the Autism Specialists Summit.
