TITLE

Tertiary Behavior Support Teams (**TBST**)

PURPOSE

The purpose of the TBST is to build capacity in each of the 8 KASEA Regions to complete Functional Behavior Assessments, develop Behavior Intervention Plans to enable students with challenging behavior to return to lesser restrictive settings. These teams will be trained to provide training and consultation to other districts in their regions.

WHO SHOULD ATTEND?

Teams that are committed working with students, families, and other professionals to create successful interventions for students with challenging behavior.

DATE

Oct. 22-23, 2012 and Nov. 20, 2012, in addition there will be a Spring date announced at the Nov. 20, 2012 training.

REGISTRATION:

An application process is used to attend. Training is limited to 8 teams. **Applications are accepted from teams, not individuals.** Mileage, hotel, food costs will be covered for those teams who are selected to attend. Applications and information are sent to Directors, Assistant Directors in Early August. There are mandatory modules to be completed prior to attending the training for the selected participants. Follow up coaching will be provided to teams. For complete information, please email Linda Wilkerson at lwilkers@kumc.edu or call 816-804-5909.
